

BLUEREBEL™

SUCTION SIDE POOL CLEANERS

SUCTION-SIDE INGROUND POOL CLEANER

Rise up and win the battle against the drudgery of challenging pool cleaning chores! Enlist the **BlueRebel™** Suction-side Inground Pool Cleaner for thorough cleaning coverage of pools with exposure to leaves, sand, and other hard-to-clean debris.

The **BlueRebel™**'s programmed steering and compact, two-wheeled design maneuvers decisively around your pool, from deep to shallow bottoms, up walls to the water line, and into tight spaces that other cleaners miss. It's the only suction-side cleaner that can climb 90 degree floor-to-wall corners. With the low flow requirements of its extra-efficient turbine, the **BlueRebel™** is ideal for use with variable-speed pumps at low speed. Installation is a snap – just set it and forget it. And with a sleek, modern design, the **BlueRebel™** is a complement to any pool environment.

PRODUCT FEATURES

- Programmed steering assures complete, thorough pool cleaning coverage.
- Low flow requirements make it ideal for use with variable speed pumps at low speed for super-efficient operation.
- Superior turbine design captures sand and debris with ease—avoids common clogging issues found in cleaners with self-adjusting turbine blades
- Works well in tight corners and pools with 90 degree angles.
- Cleans to the tile line.
- Easy to install and maintain.

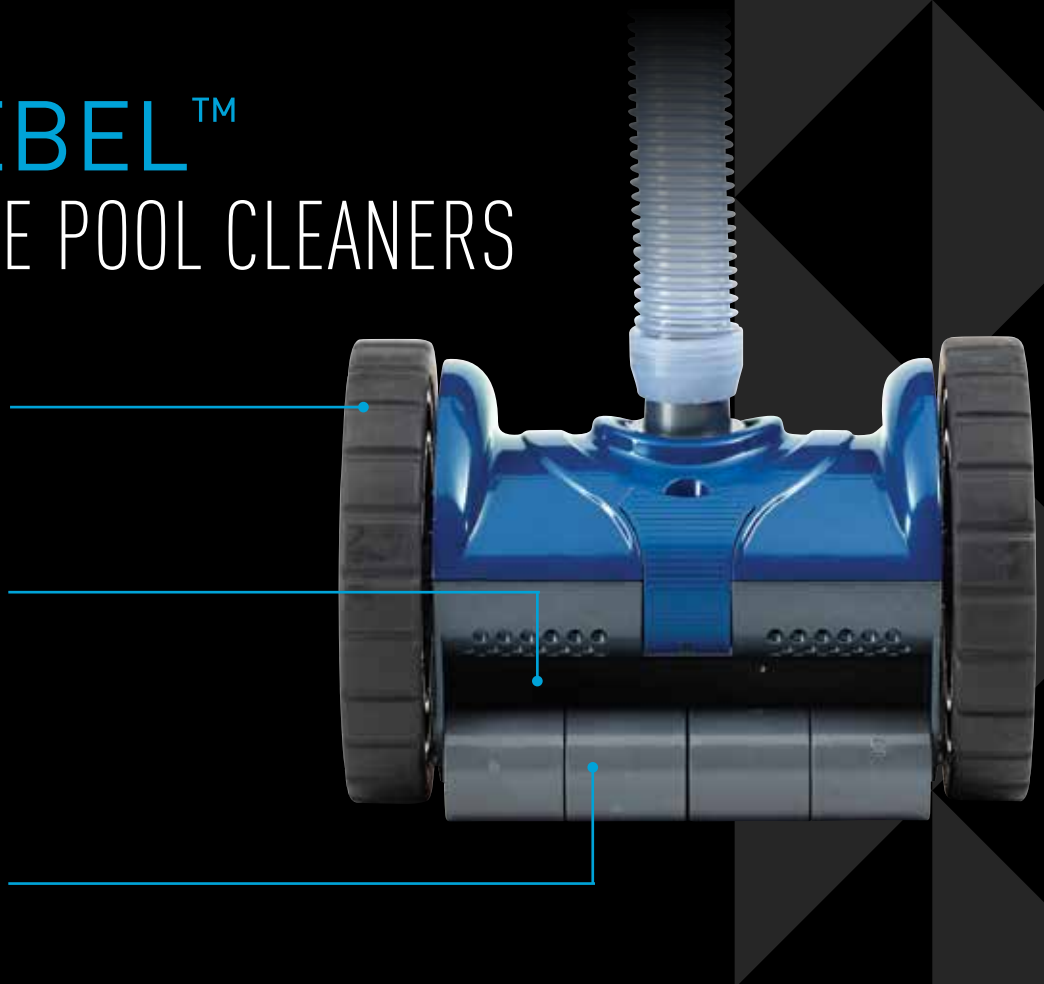

BLUEREBEL™

SUCTION SIDE POOL CLEANERS

Two wheel design for outstanding maneuverability in tight spaces.

Turbine design helps avoid clogging with sand and debris that can shut down competitive cleaners with self-adjusting turbine vanes.

Roller skirt* design with circular motion avoids hang-ups, keeping BlueRebel on the go for continuous cleaning. Snap-open design allows quick, easy access for servicing.

COMPLETE CLEANING COVERAGE IN A SLEEK, MODERN DESIGN

The **BlueRebel™** Suction-side Inground Pool Cleaner packs amazing performance into a compact, easy-to-use package. Its preprogrammed steering and two-wheel configuration allows the **BlueRebel™** to turn on a dime and access hard-to-reach sand and debris. The **BlueRebel™**'s efficient design provides excellent mobility and cleaning even at low flow rates. Plus, the superior engineering of its turbine and roller skirt assure thorough debris removal and cleaning coverage that other cleaners simply cannot match.

- Programmed steering assures complete, thorough cleaning coverage.
- Compact: easy to handle and high maneuverability.
- Excellent performance with variable speed pumps at low flow rates for super-efficient operation.
- Superior cleaning performance in tile and vinyl pools.
