

KREEPY KRUISER™

SUPREMEY SIMPLE

The **Kreepy Kruiser** pool cleaner is the ultimate in carefree operation. It comes fully assembled. Just add the seal and connect the hoses. No tools required and you're on "Kruise" control in minutes. It even comes with a free flow gauge and adjustable speed control to ensure optimum performance.

- **Kreepy Kruiser** features a new, patented silent flapper design. This sole operational moving part creates the kinetic energy that powers the Kruiser around your pool. The flapper is the only moving part in the Kruiser's simple and dependable propulsion system, which has only 8 parts in total.
- Specially designed curved "fingers" climb over obstructions so **Kreepy Kruiser** keeps performing - unattended and without interruption.
- Sleek, compact design increases maneuverability for best cleaning performance.

KREEPY KRUISER™

Connects to your skimmer or vacuum line fitting in minutes without tools

Patented flapper design

Specially designed curved fingers for total coverage

RELENTLESS IN THE PURSUIT OF DIRT AND DEBRIS

The **Kreepy Kruiser** pool cleaner shares many of the design features of the original **Kreepy Krauly** pool cleaner, the most popular automatic suction-side vacuum in history. Then we added performance features to make the Kruiser relentless in its pursuit of dirt and debris, while keeping it affordable and sensationally dependable.

Additional features include:

- All parts are UV stable and chemical resistant for years of dependable service
- No expensive booster pump to buy and operate...it uses your pool's existing filtration system
- No bags or compartments to empty or replace... dirt and debris go right to your filtration equipment... where they belong
- No wheels or gears to jam or diaphragms to replace
- 2-year limited warranty
