

SPABRITE®

INCANDESCENT LIGHTS FOR SWIMMING POOLS AND SPAS

FEATURED HIGHLIGHTS

- Stainless steel face rings.
- Prismatic tempered glass lens.
- Stainless steel housing.
- Easy service stainless steel clamp.
- Incandescent 12 v and Halogen 120 v lamp.
- Gold diffused low water cutoff.
- Easy to service.
- Plastic snap-on colored face ring covers available.

SpaBrite® lights are available with stainless steel face rings. These lights are perfect for spas and areas where space is not available for a full-size light. SpaBrite lights install in small plastic or stainless steel Pentair niches.

Spabrite Lights with Stainless Steel Face Ring

78101200	12	100	15	1	6
78108200	12	100	50	1	9
78107500	12	100	100	1	14

DIMENSIONS AND CERTIFICATIONS

Note: All cord lengths over 50 feet on 12 volt lights create resistance that dramatically reduces the light output. This condition exists on all low voltage lights regardless of design or manufacturer.

Notice: Underwriters Laboratories has listed Pentair Pool Products lights for use with Pentair Pool Products, American Products, Purex, or PacFab niches only. To ensure proper grounding/bonding connections install only Pentair Pool Products lights in Pentair Pool Products, American Products, Purex, or PacFab niches.
