COLORCASCADE® LED LIGHT BUBBLER

Watch your pool come alive with color

pentairpool.com

EXPERIENCE THE BRILLIANCE OF COLOR-CHANGING LED LIGHT BUBBLERS

The ColorCascade® LED Light Bubbler is a vivid mix of color-changing LED lighting and fountain-like water movement. Whether you're in the mood to relax or entertain, ColorCascade bubblers are the perfect way to showcase and enhance pool features like sun shelves, steps, and beach entries. Their low voltage and minimal water flow requirements make them an ideal, energy-efficient addition to pools, fountains, ponds and more. Plus, they add eye-catching style and soothing sound to heighten your senses and elevate your aquatic experience.

Product Features:

- Energy efficient color LED lights—features 5 vibrant colors and 7 dazzling light shows.
- Compatible with IntelliTouch® and EasyTouch® Control Systems.
- Low voltage operation – 12 VAC / 16 W.
- Perfectly synchronizes with IntelliBrite® 5g Underwater Color-Changing LED Pool and Spa Lights.
- Low flow requirements allow for multiple units per pool.
- Cord length available in 100' or 150'.
- Optional IntelliBrite Controller provides fast, easy light control for pools and spas without automation systems.
- PVC niche provides for flush mounting.
- Designed for 2"–10" water depth.

The Simplicity of Compatibility

The ColorCascade bubbler is more than a stand-alone water feature. It is fully compatible and perfectly synchronizes with our IntelliBrite 5g line of LED lights. When used with an optional IntelliBrite controller, pool owners can enjoy fast and easy control of color options and dazzling, pre-programmed light shows.

For the ultimate in convenience and control, consider an EasyTouch or IntelliTouch control system. You can custom program and control ColorCascade bubblers along with monitoring and controlling other features such as heaters, water fountains, spa jets, lights and more. Pair either system with our optional ScreenLogic® Interface and enjoy control from practically anywhere...anytime from a PC, Mac® computer, iPhone®, iPad®, or iPod touch® mobile digital device.

COLORCASCADE® LED LIGHT BUBBLER
